

# ARBORICULTURAL PROFESSIONAL

Marishal Thompson was founded 19 years ago, remains in private ownership and is driven by its employees and not share-holders or banks. We are an ambitious, professional and successful team. A vacancy has arisen within our Arboricultural team for a practically minded Arborist with good written and interpersonal skills.

## Vacancy Location: England

- Position:** Arboriculturist (12 month contract with possible permanent opportunity)
- Location:** South of England
- Qualifications:** BSc Hons desirable but not essential
- Skills:** Conversant in BS5837, Visual Tree Assessment & with a working knowledge of tree related subsidence issues. Extensive training will be provided.
- The Role:** Working as part of a team you will be home based and supported by excellent IT. Your role will see you deployed on a variety of projects taking in the main areas of modern arboriculture. The role will involve travel and occasional nights away. You will be a driven individual with a focus on quality and consistency.

An attractive salary dependant upon qualifications and experience is offered plus benefits package including permanent health insurance, car allowance, death in service and dependants pension.
