

## *Geotechnical Professionals*

Marishal Thompson Group (MTG) provides environmental consultancy nationally to commercial, private and public sector clients throughout UK.

### **Geotechnical : Contracts Manager / Engineer**

Expansion of our current ground investigation operation has created a new position for an experienced Contract Manager / Geotechnical Engineer. We are currently servicing 200 domestic ground investigations monthly throughout the UK. The ideal candidate will possess the following: -

- Strong man management skills
- Proven ability to manage multiple ground investigation teams
- Sound understanding of geotechnical issues (subsidence)
- Excellent communication skills at all levels from employees to clients
- Some experience of Phase 1 Surveys preferred but not essential

This is an exciting opportunity for the right individual in a rapidly expanding business secured within a 20 years old company. There is real opportunity for job progression to senior level. An attractive salary package is available dependent upon qualifications and experience.

**MTG is an Investor in People and encourages continued professional development and academic achievement for its professional grade employees**

**Applicants can be made in confidence to Marianne Maceachern**
